Set sail on your Alaska cruise this evening.

Day 2/ Thursday, July 1

Hubbard Glacier (Scenic Cruising)
3:00pm -8:00pm

North America's largest tidewater glacier is a remarkable sight to behold. It measures an astonishing 76 miles long and 1,200 feet deep, and its rapid flow means that ice chunks frequently calve from the edge in a true spectacle. This region is teeming with wildlife, so keep your eyes open and your camera ready.

Day 3/ Friday, July 2

Glacier Bay National Park (Scenic Cruising)
9:15am - 7:30pm

The 3.3-million-acre Glacier Bay National Park, a UNESCO-listed treasure, will both astound and intrigue. The magnificent Margerie Glacier is sure to impress with its dramatic blue spires. Beyond the ice, you'll see towering snow-capped mountains, deep fjords and freshwater streams. You may even catch a glimpse of humpback whales, sea otters and porpoises as they swim through the bay below, which you can learn about on board from knowledgeable Park Rangers.

Day 4/ Saturday, July 3

Skagway 7:00am - 8:30pm

In Skagway, you'll get an authentic feel for life in the 19th century as you wander freely through this charismatic Gold Rush-era town. Peek into the colorful buildings that frame narrow streets and toast the day with a brew at a local bar.

Day 5/ Sunday, July 4

Juneau 6:30am - 4:00pm

Marvel at the soaring peaks that tower over Juneau, Alaska's capital city. Wander through fields of wildflowers that accent its hillsides during summer, and glide over mist-veiled mountains and massive glaciers via helicopter. Thrill-seekers will enjoy a ride on the Mt. Roberts Tramway.

Day 6/ Monday, July 5

Ketchikan 10:00am - 6:00pm

Get in on the action in Ketchikan by fishing like a real pioneer in the salmon capital of the world, or wander along quaint Creek Street. Whatever you do, you'll feel right at home here
